MOTION FOR PRETRIAL CONFERENCE

The United States of America hereby moves the Court to hold a Pretrial Conference in this matter at the Court's earliest convenience. As grounds therefore, the government states as follows:

1. By order dated February 23, 2005, Chief Magistrate Judge Swartwood issued a final status report returning this matter to the district court. At that time, the Chief Magistrate Judge indicated that the only outstanding matter was the motion to suppress filed by the defendant.

2. The Pre-trial Conference will permit the parties to address all outstanding matters, including the defendant's motion to suppress before the case can either be scheduled for trial or a plea hearing.

Based on the foregoing, the government requests that the court schedule a Pretrial Conference on a date that is convenient

for the Court.

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney
